ANNOUNCEMENTS

DAY PROGRAM CLOSURE EXTENSION Please, read below.

As we all continue to Stay Home and Stay Safe, we at CARES wish you and your loved one's health and safety.

Our continued commitment at this time is to help our VIP's, employees, providers, and their families through this as much as we possibly can. We are committed to provide the best information and resources available as we venture through this together. We are closely following state and federal direction and legislation on how to proceed.

With the new information provided by Governor Wolf and the State of Pennsylvania, there is no definite reopening date at this time.

As we are very eager to reopen Day Program, safety is our top priority. We will continue to follow federal and state guidelines and follow direction set forth through the new phasing process and regional/county data as it applies to our agency and each Day Program.

We will keep you updated as new information becomes available. For real time updates and information on activities please visit our Facebook.

Thank you, and take good care!
